

Service User Questionnaire for Care at Home

East Lothian Council want to know what you like about the care and support you get. You may get care and support to go out, cook your tea or clean your house.

East Lothian Council would also like to know how we can make care and support services better.

We would like you to fill in this form by the 14th June and send it back to us. If you would like some help to fill in the form please call Shannon Leslie. Her telephone number is 01620827716.

Thank you

What do you like the most about the care and support you get:

What are some of the things you do not like about the care and support you get?

Is there anything your provider could do to make your care and support better?
