

Proposal to... Add an ASN Provision to Law Primary School.

East Lothian Council is thinking about making an important change to improve support for pupils in East Lothian.

We want to add a new **ASN (Additional Support Needs) provision** to your school, Law PS.

It's important that everyone at your school gets a chance to share their views about this.

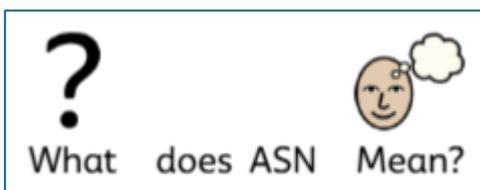

The provision would be located on the ground floor and is planned to have:

- 4 classrooms;
- A sensory room;
- Toilet facilities;
- Extra rooms and
- Its own entrance and enclosed garden space.

The aim is to make sure every pupil can learn in the way that suits them best.

This new learning space would be for pupils from across East Lothian with ASN.

ASN stands for **Additional Support Needs**. A pupil may need extra support for different reasons.

ASN support is about making sure everyone gets the help they need.

Because we want better support for pupils who need additional help.

Proposal to... Add an ASN Provision to Law Primary School.

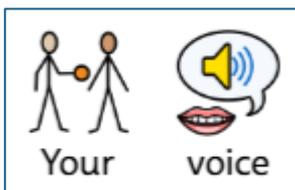

Pupils would still be part of Law PS, and join in with school events, lessons and activities.

Pupils in the mainstream school could also join activities in the provision.

The space would be made to help pupils feel safe and included.

Staff will have specialist skills and training to support pupils.

This is inclusion – it means everyone is included and no one is left out.

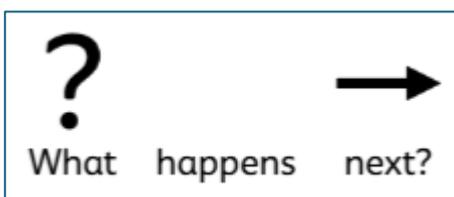

You can share:

- What you think about the proposal.
- Any questions or ideas you have.

We want to hear what you think.

Use QR Code to share your views 😊

You'll be kept updated throughout the process.

1. Everyone's feedback — including yours — will be listened to.
2. A decision will be made about whether to go ahead with the plan.

Thank you

Thank you for helping.
