

## Consultation Questionnaire

### Section 2

1. Are you responding as an individual or on behalf of an organisation?

*Please select only one item*

- Individual
- Organisation

2. If you are responding on behalf of an organisation, please tell us more about your organisation.

Please state the name of your organisation

### Section 3

3. Overall, would you agree with the key positive messages included in this part of the report?

*Please select only one item*

- Agree
- Disagree
- Neither agree nor disagree

4. From the identified key development messages please select all that you agree with.

*Please select all that apply*

- Formal outdoor play spaces in East Lothian currently offer limited opportunities for creative play.
- Formal outdoor play spaces in East Lothian provide limited opportunities for children to play on or with a range of natural resources within the boundary of the play space.
- Formal outdoor play spaces in East Lothian offer limited accessible play opportunities for disabled children and families.
- Formal outdoor play spaces in East Lothian currently offer limited inclusive infrastructure to support inclusive play opportunities.

**5.** The following recommendations are intended to provide focus for future investment in play provision, where future funding opportunities would make this possible. Please select any recommendations that you agree with.

*Please select all that apply*

- Increasing opportunities for sensory, creative and nature-based play
- Increasing all play opportunities for the 12-17 year old groups
- Increasing opportunities for calm, quiet play
- Increasing opportunities for social play
- Increasing 'hang out' spaces for the 12-17 year old age groups

**6.** Our draft PSA indicates that accessibility and inclusion of play opportunities in East Lothian could be improved through the following actions, where future funding opportunities would make this possible. Please select any actions which you agree with:

*Please select all that apply*

- Increasing the variety of play space surfaces
- Including a wider variety of inclusive fixed equipment
- Increasing opportunities for social, sensory, creative, and natural play
- Integrating inclusive play opportunities into the main play space
- Including features to support play for children with a wider variety of disabilities
- Improving safe, accessible routes into play spaces
- Embedding lived experience into play space design

**7.** Would you like to make other comments on the above development messages or recommendations?

*Please provide any further comments*

## Section 4

### Quantity and Quality of Play Spaces by Community Council Area

**8.** Do you agree that we have captured the key points for the play spaces in this area?

*Please select only one item*

- Agree
- Disagree
- Neither agree nor disagree

**9.** If not, is there anything else that we have missed that you think should be included in this local area?

**10.** What would be your priority for addressing in relation to the findings for this local area?
