- (b) The restrictions, prohibitions and requirements imposed by this Order shall be in addition to and not in derogation of any restriction or requirement imposed by any regulations made or having effect as if made under the 1984 Act as amended as aforesaid or by or under any other enactment.
- (c) For the avoidance of doubt, East Lothian Council does not accept responsibility for any inaccuracies contained in the Ordnance Survey data relied upon to create the map based schedule.
- (d) All words importing the singular also include the plural and vice versa where the context requires.
- (e) All signs, carriageway markings etc. shall comply with the Traffic Signs Regulations and General Directions 2016.

PART 1 – CAR PARK

4.1 Designation of pay and display car park

Each part of a car park listed in Schedule 1, identified on the map based schedule by way of a map tile label and the map schedule legend, as a pay and display car park; is hereby designated as a pay and display car park.

4.2 Use of designated pay and display parking place within pay and display car parks

In accordance with the provisions of this Order:

- (a) Each pay and display parking place shall only be used during the permitted hours for the leaving of:
 - (1) qualifying vehicles displaying a ticket in accordance with Article 5.4 and in accordance with the minimum and maximum lengths of stay as stated in either this Order, the map schedule legend or a map tile label relating to that pay and display parking place;
 - or
 - (1) a qualifying vehicle displaying a valid disabled person's badge.

4.3 Restriction on use of vehicles in pay and display car park

- (a) No person shall use any vehicle while it is left in a pay and display car park in connection with the selling or offering for sale of goods or services in any capacity: provided that nothing in this Article shall prevent the sale of goods from a vehicle if the vehicle is one to which the provisions of Article 4.4(a)(4) of this Order apply.
- (b) The driver of a vehicle using a pay and display car park shall not cause or permit the carrying out of any work of construction or repair to any vehicle except such as may be necessary to enable the vehicle to be removed from the pay and display car park.
- (c) No person shall distribute or a fix or cause to distribute or affixed to any vehicle left in a pay and display car park any literature or leaflet of any nature unless the prior written consent of East Lothian Council has been given.
- (d) No person shall use any part of a pay and display car park or any vehicle left in a pay and display car park:-
 - a. For the purpose of washing any vehicle other than is reasonably necessary to enable that vehicle to leave the car park.

4.4 Exceptions from restriction of waiting by vehicles in pay and display parking place

- (a) The following vehicles are excepted from the requirements under Article 4.2 and may wait during the permitted hours, other than in a pay and display parking place the use of which has been suspended, if:
 - (1) the vehicle is being used for fire and rescue, ambulance, or police purposes;
 - (2) the vehicle, not being a motor car, is being used in the service of a local authority in pursuance of statutory powers or duties: provided that in all the circumstances it is reasonably necessary in the exercise of such powers or in the performance of such duties for the vehicle to wait at the place in which it is waiting;
 - (3) the vehicle, not being a passenger vehicle, and where the said vehicle is integral to the work being undertaken, is waiting only for so long as may be reasonably necessary to enable it to be used for the purpose of:
 - (i) the maintenance, improvement or reconstruction of the pay and display parking place;
 - or
 - (ii) the placing, maintenance or removal of any traffic sign or parking meter; or
 - (iii) provided that, in all cases, the vehicle or vehicles are in actual use in connection with the work being undertaken,

- (4) the vehicle is waiting if goods are being sold or offered for sale from the vehicle by a person who is licensed by East Lothian Council to sell goods from a stationary vehicle situated in the place; and
- (5) a motorcycle with no side-car attached thereto.

4.5 Manner of standing in pay and display car park

Waiting and parking within the limit of car park is only permitted for qualifying vehicles when parked within the limits of the car park so as not to block any access or prevent the any vehicle from leaving the car park.

Every vehicle waiting in a pay and display car park, in accordance with Article 4.4 of this Order shall stand so that every part of the vehicle is within the limits of that pay and display car park and within a pay and display parking place when parking bays are defined.

4.6 Power to suspend use of a pay and display car park

- (a) Any person duly authorised by the Executive Director of Place of East Lothian Council may suspend the use of any pay and display car park or any part thereof whenever it is considered that such suspension is reasonably necessary:
 - (1) for the purpose of:
 - (i) any building operation, demolition or excavation in or adjacent to pay and display parking place;
 - (ii) the maintenance or cleansing of gullies in or adjacent to the pay and display parking place; or
 - (iii) the placing, maintenance or removal of any traffic sign or parking meter;
 - (2) for the convenience of occupiers of premises adjacent to the place on the occasion of the removal of furniture from one office or dwelling house to another or the removal of furniture from such premises to a depository or to such premises from a depository;
 - (3) on any occasion on which it is likely by reason of some special attraction that any street will be thronged or obstructed; or
 - (4) for the convenience of occupiers of premises adjacent to the pay and display parking place at times of funerals or on other special occasions.
- (b) Any person suspending the use of a pay and display car park or any part thereof in accordance with the provisions of paragraph (a) of this Article, shall place or cause to be placed, in or adjacent to that or any part of that pay and display car park which is suspended, a traffic sign or signs indicating that waiting by vehicles is prohibited.
- (c) On any suspension of the use of a pay and display car park in accordance with the provisions of paragraph (a) of this Article any person duly authorised by the Council may temporarily remove, or cause to be removed, any parking meter relating to such pay and display car park or part thereof and any post or other support to which such parking meter is fitted and shall thereupon place or cause to be placed in or adjacent to that pay and display car park or part thereof a traffic sign indicating that waiting by vehicles is prohibited.
- (d) No person shall cause or permit a vehicle to wait:
 - (1) in a pay and display car park or part thereof during such period as there is on the parking meter relating to that pay and display car park a notice indicating that the use of the pay and display car park or part thereof is suspended; or
 - (2) in any pay and display car park or part thereof during such period as there is in or adjacent to that pay and display car park or part thereof a traffic sign placed in pursuance of paragraphs (b) or (c) of this Article provided that nothing in this paragraph shall render it unlawful to cause or permit any vehicle being used for fire and rescue, ambulance or police purposes to wait in that part of the pay and display car park during such period referred to in

this paragraph, or to any other vehicle so waiting if that vehicle is waiting with the permission of any person duly authorised by the Executive Director of Place of East Lothian Council.

5. Pay and display car park

5.1 Amount of parking charge at pay and display car park specified in Schedule 1 Part 2

- (a) There will be a parking charge in accordance with Schedule 1 Part 2 for a vehicle left during the permitted hours in any pay and display car park with the exception of:
- (1) a qualifying vehicle displaying a valid disabled person's badge;
 - (2) a motorcycle with no side-car attached thereto; or
 - (3) there is evidence on a hand-held device that a valid permit has been granted for that vehicle.

5.2 Payment of parking charge in respect of pay and display car park

- (a) Subject to the provisions of this Order, the parking charge for a vehicle left during the permitted hours in a pay and display car park shall be payable on the leaving of the vehicle either by:
- (1) the insertion in the parking meter associated with the pay and display car park in which the vehicle is left of a coin or coins of the denominations listed on the associated parking meter as valid for use in that pay and display car park;
 - (2) the driver using the electronic payment system to register such payment, or
 - (3) any other means of payment as may be authorised by the Council and indicated by instructions displayed on the associated parking meter.

5.3 Indications of payment of charges at pay and display car park as evidence

- (a) Without prejudice to the provisions of Article 6.3, if at any time while a qualifying vehicle is left, during the permitted hours, in a pay and display car park, the parking charge shall be deemed to have been paid, if:
- (1) a valid ticket is displayed on the vehicle in accordance with the provisions of Article 5.4; or
 - (2) an indication appears on a hand-held device that the parking charge has been paid in respect of that vehicle, provided that:
 - (i) the registration mark of that vehicle exactly matches the registration mark held on the electronic payment system; and
 - (ii) the electronic payment system and the information shown on the hand-held device confirm that the parking charge has been paid for that vehicle and for the location in which that vehicle has been left.
- (b) The date and time recorded on:
- (1) the electronic payment system for a vehicle left in a pay and display car park, and where the registration mark of the vehicle exactly matches the details on the electronic payment system; or
 - (2) on a ticket displayed on a vehicle left in a pay and display car park, shall be presumed, unless the contrary is proved, to be the date and time in respect of which the parking charge was paid.
- (c) The expiry of the period of a parking charge:
- (1) paid by means of coins inserted in a parking meter shall be indicated by the time indicated on a ticket displayed on the vehicle for which the charge has been paid; or
 - (2) paid by means of electronic payment shall be indicated within the electronic payment system and linked to the particular vehicle for which the charge has been paid.

5.4 Display of evidence of payment for vehicles in pay and display car parks

- (a) Upon payment of the parking charge as referred to in Article 5.1:
- (1) by means of coins inserted in a parking meter, the driver of the vehicle shall display or cause to be displayed on the vehicle while it is left in the pay and display car park the ticket as issued by the parking meter relating to that pay and display car park:
 - (i) where the vehicle is fitted with a front windscreen extending across the vehicle to the nearside, on the nearside of the inside surface of such windscreen; or
 - (ii) where the vehicle is not fitted with a front windscreen, in a conspicuous position on the nearside of the vehicle,
 - (2) by means of the electronic payment system, an indication that payment of the parking charge has been made shall appear on a hand held device and within the electronic payment system.
- (b) The ticket referred to in this Article shall be so displayed that the day and time recorded on the front thereof are clearly visible to a person standing at the front or the nearside of the vehicle.

5.5 Additional payment

Additional payment maybe made:

- (a) by means of coins inserted into a parking meter when the original payment was made in that way, or
- (b) by means of the electronic payment system provided that the original payment was made in that way,

provided that the maximum length of stay as specified in Schedule 1 Part 2, the map schedule legend or a map tile label for the relevant pay and display car park, is not exceeded.

5.6 Interval before a vehicle may again be left in a pay and display car park

Subject to Article 5.7, no vehicle which has been taken away from a pay and display car park during the permitted hours, after payment of the parking charge has been made and expired, shall again be left in that pay and display car park during the permitted hours until the expiry of 24 hours from the time it was taken away from the said pay and display car park.

5.7 Exemptions from restrictions on the use of pay and display car park

- (a) The minimum and maximum lengths of stay as specified in Schedule 1 Part 2, the map schedule legend or a map tile label relating to a pay and display car park shall not apply to any of the following vehicles whilst waiting during the permitted hours in the said pay and display car park:
- (1) a motorcycle with no side-car attached thereto; or
 - (2) there is evidence on a hand-held device that a valid permit has been granted for that vehicle.

6 GENERAL

6.1 Installation of parking meters, placing of traffic signs, etc.

East Lothian Council shall place and maintain such traffic signs as are required to give effect to the provisions of this Order and, without prejudice to the generality of the foregoing, shall:

- (a) install and maintain in such positions as they think fit in the vicinity of a pay and display parking place such parking meters as may be required for the purposes of this Order;
- (b) cause the limits of each pay and display car park and, as the case may be, any parking bay to be indicated on a sign within the pay and display car park and maintaining thereon appropriate traffic signs;
- (c) place and maintain in the vicinity of each pay and display car park appropriate traffic signs indicating that such pay and display parking place may be used during the permitted hours for the leaving only of the vehicles specified in Article 4.2; and
- (d) carry out such other work as is reasonably required for the purposes of this Order and the satisfactory operation of any pay and display car park and pay and display parking place.

6.2 Restrictions on the removal of tickets and permits

When a ticket has been displayed on a vehicle in accordance with Article 6.4 no person, not being the driver of the vehicle, shall remove the said ticket or permit from the vehicle unless authorised to do so by the driver.

6.3 Exemptions from charges

- (a) If, at the time when a vehicle is first left in a pay and display car park, during the permitted hours, any parking meter relating to that pay and display car park:
 - (1) bears a notice, placed by either a parking attendant or by any person duly authorised by the Council, indicating that the parking meter relating to that pay and display car park is out of order, or
 - (2) is found to be out of order,

the vehicle shall be exempt from the parking charge, provided that all reasonable endeavors have been made to pay the parking charge at the nearest available working parking meter and the vehicle is left no longer than the maximum length of stay permitted within that pay and display car park. If the vehicle is left for longer than the maximum length of stay permitted within that pay and display car park the parking charge shall be deemed to have been incurred and paid at the time when the vehicle was first left in the pay and display car park and all the provisions of this Order shall apply accordingly.

- (b) Without prejudice to the generality of this Article, a vehicle to which this Article applies shall stand in the associated pay and display car park in accordance with the provisions of Article 4.5.

6.4 Penalty Charge Notice

- (a) A Penalty Charge Notice, as permitted by the Road Traffic Act 1991, shall be payable in respect of a vehicle left in a pay and display car park in breach of this Order, and for the avoidance of doubt includes a breach of article 4.2, 4.3, 4.5, 5.1, 5.2, 5.3, 5.4, 5.6, 5.8.
- (b) The amount of the Penalty Charge Notice shall be £100, discounted to £50 if paid within 14 days; this shall increase to £150 if the Council issues a charge certificate in relation to the Penalty Charge.
- (c) A Penalty Charge Notice shall be attached to the vehicle, or handed to the owner or person who appears to be in charge of the vehicle, incurring the Penalty Charge Notice.
- (d) Where a penalty charge notice has been attached to a vehicle in accordance with this Article 9 hereof, no person, other than the owner or person who appears to be in charge of the vehicle, or a person duly authorised by the Council, shall remove the penalty charge notice from the vehicle

unless authorised to do so by the owner or person who appears to be in charge of the vehicle.
Any person who removes a penalty charge notice without the proper authority shall be guilty of
an offence in terms of the Road Traffic Act 1991.
