

Helping to tackle Climate Change: What should we do here in East Lothian?

Which 5 of these are most important to you?

Climate Change: what should we do here in East Lothian?	Which 5 are most important to you?
Solar panels or wind turbines to give us energy	
Reduce, reuse, recycle waste	
Walk or cycle rather than drive in cars	
Plant more trees and have more green spaces for nature	
Have places where people can grow their own food, like vegetables	
Use local shops so you don't have to travel far	
Look after our wild places and nature, like woodlands and wildflower meadows	
Protect people and their homes from climate change effects like storms or flooding	
Have more electric cars (rather than petrol or diesel cars)	
Use less plastic	

Please send completed form, by 22nd July 2019, to:

- Sustainable Energy and Climate Change Officer, Strategic Investment and Economic Development, East Lothian Council, John Muir House, Brewery Park, Haddington, East Lothian, EH41 3HA
- Or by email to climatechange@eastlothian.gov.uk

Thank you
