

**EAST LOTHIAN COUNCIL (WHIN PARK AREA, COCKENZIE;  
LOCHBRIDGE AREA, NORTH BERWICK; & MUIRPARK AREA, TRANENT)  
(20MPH SPEED LIMIT) ORDER 2017**

**TO – 203 / 17**

**STATEMENT OF REASONS**

Following the successful introduction of an experimental 20mph speed limits Order, East Lothian Council propose to make the experimental 20mph speed limits Order permanent on various roads in Cockenzie, North Berwick and Tranent.

The principal reason for introducing and making this TRO permanent is to continually prevent danger to persons or other traffic using the road stemming from excess speeds.
